

7/5/2017

RUTGERS
School of Environmental
and Biological Sciences

Program Agenda

Rutgers University
Southern Federal University

New Brunswick, NJ

July 8-15, 2017

Program Goals

1. To further develop relations between Rutgers and SFU in the fields of science and education.
2. Create a solid foundation for developing numerous faculty-led educational initiatives.
3. Provide access for the SFU research team to conduct several experiments at Rutgers laboratory facilities.
4. Discuss the future scope for exchanges graduate students and young scientists along collaboration in research.
5. Develop a reciprocal visit of Rutgers' administrators and researchers to visit SFU in August or September 2017.

Friday July 7

Rostov-New Brunswick

Arrive at Newark International Airport (EWN) or JFK Airport (JFK), transit to New Brunswick, NJ

Program Participants:

Dr. Michael Chikindas (mobile) 732 322 2659

Dr. Vladimir Chistyakov, Head Researcher, Southern Federal University

Dr. Anzhelika Bren, Senior Researcher, Southern Federal University

Hotel:

Heldrich Hotel

10 Livingstone Ave., New Brunswick, NJ 08901

+1 732 729 4670

Sunday, July 9

12:00 – 14:00
